

RE: Schulte v. Bureau of Prisons et al.
20-CV-2795

4/12/21

Judge Gorenstein,

As of today 4/12, I have not yet received anything from the Court. I mailed a packet nearly a month ago with the amended complaint but do not know if it was ever received.

Since the MKC and BOP are actively obstructing this civil case, I do not know if the Court mailed me any action. If not, please disregard. If so, I have received nothing from the Court ~~or~~ or AUSA in the past month.

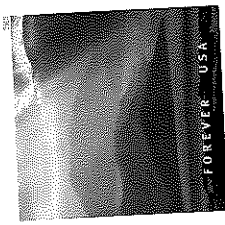

At this point, the case can't really proceed until the government sends me the requested audio/video footage from the incident.

Thanks,

Josh Schulte
